# THE POND

## **ABOUT**

Dogs are allowed in the pond, as well as frogs, critters and wildlife. There are no fish in the pond as it was just drained for grooming as we install a fountain and filtration system. The pond is fed from several underground streams.

## **RULE 1**

There is no lifeguard on duty so swim at your own risk

## **RULE 2**

The pond is deepest on the side towards the covered bridge. Please enter in where the chairs and tarp are located. It is quite shallow on the left side due to summer drainage,

## **RULE 3**

Tubes and flotation devices are available in the covered bridge please return them when you are done. Beach towels are provided in the main barn. There is a clothes line on the porch.

# THE LAND

Willow's Hollow is a private 110 acre property that is flanked by two creeks. Shale and Wood Creek flow all year round though the summer is a low part of the year. There are numerous outbuildings, trails and beaver activity on the land resulting in an everchanging ecology of the land and trails. The Hollow provides a space for corporate retreats, Weddings and Getaways.

## **THE FIELDS**

There are 6 fields that are found on the hollow all of the fields are accessible year round and can be hiked as you explore the outbuildings, picnic, camp and trails.

## **THE TRAILS**

There are numerous trails throughout the hollow some are new and groomed and some are in progress as the vegetation changes so frequently. Your map will be marked which trails are best and which trails are wet. We live in harmony with the beavers so we never know where the new dams are being built.

## **THE OUTBUILDINGS**

Outbuilding are future sites to allow a larger group to stay out at Willows Hollow, you are welcome to explore all of these buildings as we make Willow's Hollow Grow.
